Funding Opportunity

Physical Activity

Physical Activity

Funding to act on local-, regional-, or state-level plans for improving access to safe, activity-friendly routes to everyday destinations.

Eligible plans include, but are not limited to:

- Safety action plans
- Comprehensive plans
- Neighborhood, subarea, and/or corridor plans
- Parks and Recreation plans
- Trail plans
- Statewide active transportation plans
- Community Health Improvement Plans (CHIPs)
- Other relevant plans that cover the applicant's jurisdiction and have direct influence on availability of active routes and/or destinations

If you have questions about the eligibility of your plan, email us at gspanatghpc@gsu.edu

Requirements – Applicants must...

- Explicitly identify an existing plan that covers their jurisdiction.
- State how the selected plan supports activity-friendly routes to everyday destinations.
- Clearly specify which strategy/objective/milestone within the plan they intend to advance.
- Explain how you will use the funds to achieve and document progress over the funding period (up to one year) by detailing:
 - The steps they will take during the funding period to advance the plan.
 - The outcomes they expect to see at the end of the funding period.

Awardees will receive

- **Up to \$20,000 to implement their proposed project.**
- **Guidance from the G-SPAN team.**
- **Recognition on G-SPAN's website and social media platforms.**
- **Connection to other awardees and members of G-SPAN's network.**
